- *Chakra-ui, Chakra-ui/React, Axios, Date-Format, Framer-Motion, Moment, NES.css, React, React-Bootstrap, React-dom, React-Router, React-scripts, Web-Vitals.*

EXPERIENCE

Director Of Environmental Services   2018 – 2022
Crothall Healthcare   Yakima, WA

Managed multiple hospital departments of approximately 100 employees in a healthcare environment. My responsibilities included hiring frontline and management staff, creating and maintaining budgets for the departments. Creating and updating a schedule for the employees. Establishing maintenance schedule to be most cost effective. Provide feedback to frontline staff and communicate with C-suite and administration. Frontline staff training and onboarding, including Diversity and Inclusion training for both frontline staff and management.

Assistant Director of Environmental Services 2016 – 2018
Crothall Healthcare Seattle, WA
Managed multiple hospital departments of approximately 90 employees in a healthcare environment. Coordinated with counterpart to ensure all facets of the department functioned smoothly. My responsibilities included hiring frontline and management staff. Creating and updating a schedule for the employees. Establishing maintenance schedule to be most cost effective. Provide feedback to frontline staff and communicate with C-suite and administration. Frontline staff training and onboarding, including Diversity and Inclusion training for both frontline staff and management.

Operations Manager of Environmental Services 2013 – 2016
Crothall Healthcare Yakima, WA
Supervised different shifts within the EVS department with different levels of staffing. Worked with frontline staff to ensure core work was completed in a timely manner. Coordinated with leadership to complete work that was considered priority and flex accordingly to make the best use of the team's time. Made sure department was performing at expectations and staying within budget.
